

You are invited to join us for a reception at FNCE to learn more about Vytala and Seracal™

October 7<sup>th</sup> at 5-7pm – open house

### Meet Hans Rueffert, Chef without a Stomach

Hans is an accomplished Chef and gastric cancer survivor that lives with the philosophy “Eat Like There’s No Tomorrow.” In 2005 he participated in *Next Food Network Star* just before his diagnosis and shares nutritional tips for patients with a focus on healthy meals that are tasty.

Taste Seracal recipes at booth #917

## Ivenshure

### Event Space

1015 Glenwood Ave  
Minneapolis, MN 55045

Seracal is a new medical food clinically proven to increase fat absorption, weight and height
